SUBJECT: Guenther WISCHMANN cd

1. FLUSH had an opportunity to "sneak" over the Italian border to Merano for the purpose of seeing his wife and children whom he has not seen since the war's end.

2. FLUSH suggested that during his stay in Italy, we use the services of his friend, Mr. WISCHMANN. WISCHMANN was known to this Station for quite a while, see MSC 46, 52. WISCHMANN is a young, clean-cut, intelligent, international (pre-British, pre-American) man, with good connections in the business circles of Czechoslovakia and Austria.

3. WISCHMANN presents a good opportunity for us because in addition to his wide acquaintanceship, he has travel opportunity because he is a buyer for Special Service/USRA. For his contributions see: 80, 81, 141, 142, 207, 285, 286, 287, 288, 289, 290, 291. Persons' details on WISCHMANN will follow.
